# KUSHAN DABARE

**Business Process Improvement Specialist**  
**Finance Department**

## About Me

Results-oriented Business Solutions Specialist with a decade of progressive experience in the banking and financial services sector. Proven expertise in bridging the gap between business operations and IT solutions to drive process improvement, system automation, and organizational efficiency. Currently advancing a Lean Six Sigma Black Belt project, I excel at leading core banking system implementations and cross-functional initiatives. Highly skilled in leveraging data analysis tools, including Python and Power BI, to monitor KPIs, deliver comprehensive ROI analyses, and provide actionable insights that align with corporate strategic objectives.

## Experience

**Alliance Finance Company PLC**  
**2014 - Present**

**Business Process Improvement Specialist - Finance Department | 2026-Present**

- Lead end-to-end process improvement initiatives across financial, customer, and internal operations, utilizing Lean Six Sigma methodologies (currently at Black Belt project measurement phase) to optimize workflows and eliminate inefficiencies.
- Successfully managed and delivered a major core banking system implementation project (Co-live: August 2025), ensuring that new IT solutions perfectly aligned with the company's business requirements and compliance standards.
- Leverage advanced data analysis tools, including Python, Google Colab, and Power BI, to automate complex data extraction, streamline daily reconciliation processes, and enhance decision-making speed and accuracy.
- Develop, analyze, and monitor Key Performance Indicators (KPIs), presenting data-driven recommendations and comprehensive ROI analyses (tangible and intangible) to the Management Team for new process redesigns.
- Collaborate effectively with cross-functional stakeholders, IT teams, and external partners to evaluate, revamp, and recommend business applications that enhance the overall customer experience and strengthen financial performance.
- Direct multiple simultaneous initiatives from inception to completion, coordinating closely with project management functions to ensure alignment, clarity, and timely delivery of strategic goals.
